***Subject: Amendment #11 (Administrative Amendment) to the FY 2004/05 through 2009/10 Council of Fresno County Governments FTIP***

Ms. Falsetti:

The Executive Director of the Council of Fresno County Governments Policy Board hereby approves Amendment #11 (Administrative Amendment) to the *FY 2004/05 through 2009/2010 Federal Transportation Improvement Program (FTIP)*. Below are the specified changes to the FTIP in total dollars:

City of Clovis, CTIPS ID 203-0000-0229: Change to the *Regional Surface Transportation Program* preliminary engineering and construction phase funding for FFY 2003/04. The programmed amount of \$90,000 for preliminary phase funding has been decreased to \$25,700 and the programmed amount for construction phase funding has been increased to \$64,300. The increase is a result of moving \$64,300 from preliminary engineering phase funding to construction phase funding.

City of Sanger, CTIPS ID 203-0000-0094: Change to the *Regional Surface Transportation Program*. The description for this project has been changed to reflect language that was adopted by the Council of Fresno County Governments Policy Board but incorrectly entered into CTIPS as part of Amendment No. 02. The project description correction is consistent with the limits established within the projects environmental documents.

It should be noted that the projects contained within this amendment do not require a re-determination of the air quality conformity analysis and are exempt from conformity as per CFR Section 93.126.

**Member Agencies:** The cities of Clovis, Coalinga, Firebaugh, Fowler, Fresno, Huron, Kerman, Kingsburg, Mendota, Orange Cove, Parlier, Reedley, San Joaquin, Sanger, Selma & Fresno County

You should be aware that as per Fresno COG's adopted *Policies and Procedures*, Administrative Amendments are to be used whenever "minor" changes related to project costs, selection, or programming occurs. The project being adjusted meets these criteria. Administrative Amendments are used in lieu of standard FTIP Amendments, and as such, are not subject to Federal and Stated approval. The purpose of this letter is to notify Caltrans, the Federal Highway Administration, and Federal Transit Administration that this Administrative Amendment has taken place. We will be updating the California Transportation Improvement Program System (CTIPS) to reflect this amendment. If you should have any questions or comments, please feel free to call Renee DeVere or Les Beshears at (559) 233-4148.

Sincerely,

BARBARA GOODWIN, Executive Director  
Council of Fresno County Governments
